Our procedure is to determine the offices(s) where the requested records are located. Then we will work with staff familiar with the subject matter of your request to identify and collect them. We may need to contact you for clarification, if we find your request to be vague or especially complex.

Once records are located and gathered, we review them for information that may be redacted based on a statutory exemption. In some cases we may also require additional time to notify a third party or consult with legal counsel.

We estimate that we will respond to your request by **May 31, 2019**, by either producing all of the records requested; or if the number of records is voluminous producing an installment along with a revised estimate for further phases.

If you have any questions, please reply to this email or contact my office at 360-902-0611.

Thank you for your attention.

Sincerely,

Tricia A. Smith
